Licensee under 35 U.S.C. 184 is hereby granted to file in any foreign country a patent application and any amendments thereto corresponding to the subject matter of this U.S. application identified above and/or any material accompanying the petition. This license is conditioned upon modification of any applicable secrecy order and is subject to revocation without notice.

License Number: 531,195

Grant Date: 03-Sep-03

Approved:

for Commissioner of Patents and Trademarks

This license empowers the filing, the causation and the authorization of the filing of a foreign application or applications on the subject matter identified above, subsequent forwarding of all duplicate and formal papers and the prosecution of such application or applications.

This license is granted under 37 CFR 5.15(a)

This license is to be retained by the licensee and may be used at anytime on or after the date thereof.
This license is not retroactive unless specifically indicated.

The grant of this license does not in any way lessen the responsibility of the licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations, especially with respect to certain countries, of other agencies, particularly the Department of the Treasury; Office of Munitions Control, Department of State (with respect to Arms, Munitions and Implements of War); the Bureau of Trade Regulation, Office of Export Administration, Department of Commerce; and the Department of Energy.

Office of Licensing and Review
Assistant Commissioner for Patents
Washington, D.C. 20231**PETITION FOR EXPEDITED FOREIGN FILING LICENSE UNDER 37 CFR § 5.13**

Sir:

Applicants respectfully request the granting of a Foreign Filing License for the enclosed application on an *expedited* basis.

The above-identified patent application is a pending U.S. Patent Application. The subject matter of the above-identified application relates to carpet and fabric cleaners. Subject matter relating to Figures 1-3, 5 and 7-9 has already been disclosed in an earlier provisional patent application, U.S. Provisional Application Serial No. 60/320,145 entitled "Manual Spray Cleaner and Protectants" filed April 25, 2003, for which a foreign filing license was granted. Figures 4, 6, and 6A are new. A copy of the above-identified application is transmitted herewith for your review. Considerable additions have been made to the subject matter of the Provisional Application Serial No. 60/320,145.

It is respectfully requested that the Foreign Filing License for the above-identified patent application be granted as soon as possible. Please send notification via facsimile transmission when the Foreign Filing License is granted.

The Commissioner is hereby authorized to charge Deposit Account No. 50-2003 in the amount of \$130.00 required under 37 CFR § 1.17(h) for the filing of this petition.
